

The Pizza Oven

More than 50 Years of Great Pizza! The family friendly atmosphere has been around since 1961. The Pizza Oven has been making homemade, fresh pizza daily. Homemade dough with a special sauce recipe and special blend of mozzarella cheese to make Monona/Madison's best thin crust pizza. In 1961, The Pizza Oven opened a pizzeria on Monona Drive, as Pizza Hut but was forced to change the name to The Pizza Oven when the pizza giant moved to Madison. The Pizza Oven tradition has continued as a local, family-owned business. Thanks for the support!
